

# Sustainability Policy

The University of Worcester's Strategic Plan 2019 includes a commitment to harness our people, resources, excellence, expert knowledge, and infrastructure, to help find innovative solutions to the big challenges which face society, and to support the specific objectives as set out in this policy.

Through our teaching, research, and knowledge exchange activities we will promote sustainable communities, services, businesses, and the use of physical resources. We will foster a culture that values sustainability in arts and culture and promotes the well-being of our staff, students, and partner organisations. Responding appropriately to reasonable requests for information about our sustainability performance.

- 12. Ensuring curricula reflect and align with our values for inclusion, internationalisation, ethical and socially responsible global citizenship.
- 13. Invest in pedagogic innovation, scholarship, and research on sustainability with global impact.
- 14. Build beneficial partnerships and collaborations through our sustainability activities and enhance our sustainability reputation internationally
- 15. Fulfil all the institution's legal and other compliance obligations.
