

UNIVERSITY EXECUTIVE BOARD

4th July 2023

Ethical Investment Policy

Purpose: To provide the University Executive members with the annual update on the Ethical Investment strategy

Author: Rob Bonham, Pro Vice Chb As part of the annual collation of Policies and notes to be included in the Ethical performance of the University there is an annual update on the Ethical Investment position.

As per all previous years the University has not held 'Unethical' Investments, or indeed any Investments at all, because

In order to give effect to its commitment to this policy the University will:
